WESTERN CLINCHES SCHOLASTIC TITLE

Georgetown Basketball Tossers Annex Local School Championship by Trimming A. and N. Quint.

Although two games were staged at the Arcade yesterday but one of the contests will go down in the Inter-scholastic League's record, as the Eastern High School team practically forfeited to Central, the Georgetown Preps filling their place in the second game. Eastern had an out-of-town game, and thought it more important than the game scheduled in the league and from the previous indications the game will go as a postponed game even though Central claimed the game by forfeit.

Western practically clinched the title for their teams yesterday by taking the long end of a 22 to 17 score from the Army and Navy Preps. Eight times during the contest the teams were doublelocked and only in the last few minutes of play, through several shots by Peck, did the leaders break the tie. Peck, Smith, and Chamberlain, of the winners, and Gilmarin and Gibney, of the Preps, featured the play.

Central had an easy time in defeating the Georgetown Preps, 18 to 14, in the preliminary game. Line-up and summary:

WESTERN	Position	ARMY & NAVY
Peck	Miller
Smith	Knudsen
Gibney	Gilmarin
Chamberlain	Gibney
Peck	Gilmarin
Knudsen	Gibney
Gilmarin	Gibney
Gibney	Gilmarin

Substitutions—Gatchell for Reed, D. Deszendorf for Marbury, O'Brien for McManis, Goals from Peck (4), Smith, Chamberlain, Whitchell, Miller (4), Gilmarin (2). Free throws made—Smith (4), Miller (2), Rorschach, Referee—Mr. Hughes. Time of contest—20 minutes.

ADMITTS FEDS LOST A MILLION.

Weeghman Says His Own Losses in Chicago Were \$570,000.

Chicago, Feb. 18.—Charles H. Weeghman, president of the Chicago National League baseball club and his associates were obligated to the extent of more than \$1,000,000 at the close of the 1915 season. It was learned today, as the result of the liquidation of the Chicago Federal League club.

At a banquet given last night in his honor, Weeghman, in an address said that he was induced to join the Federal League by James Gilmore, president of the league, while the two were playing golf.

"I invested to the extent of \$25,000," said Weeghman, "and at the close of last season the Chicago Federal League club was obligated to the extent of \$550,000."

American Bowling Congress.

Toledo, Ohio, Feb. 18.—Six hundred teams have been entered in the American Bowling Congress tournament which begins here March 4, according to a statement made last night by A. L. Langtry, secretary of the congress, who is here in personal charge of the event. Entries close tomorrow night.

President E. J. Ryan came here from Detroit last night and turned in entry fees for twenty-five teams already gathered in the Michigan metropolis. This number will be increased by twenty, Mr. Ryan said.

Hilltoppers' Indoor Games At Convention Hall Tonight

The track management of Georgetown comes at last from its herculean efforts of the past week with the feelings of a man satisfied with a duty well done. Tonight the eighteenth annual indoor track meet will start promptly at 7:30, and unless the present calculations are amiss, this year's athletic carnival should be full of thrills and excitement.

It will truly be a gala night, and all those who took to Convention Hall will be amply repaid for their journey. The Georgetown relay team has been training hard and faithfully for the last two weeks, and Coach John O'Reilly claims that his men are in the pink of condition and fit to give Lehigh a stubborn battle in the feature mile race of the evening. Georgetown will strive might and main to redeem last year's defeat at the hands of Lehigh with a victory tonight, and according to the followers of both institutions, is chock full of confidence that it will gain the decision.

Another feature of tonight's big carnival, and one that will make a strong appeal to many, is the fact that Georgetown's ancient rival, Virginia, will be entering in the games. The Orange and Blue will bring its usual strong track team to the Capital and Pop Lanningian hopes that his boys will add a few more points toward the much coveted South Atlantic championship. The Charlottesville collegians have a large following locally and needless to say they will have hundreds of supporters in Convention Hall, eager to show their affection for the sons of the Old Dominion.

Besides entering a relay team Lehigh will have two of her best athletes in some of the other events. In Burke and Morrisey, South Bethlehem College boasts two of the best men in the running game today and they are bound to make a name for themselves in this evening's games. They have been preparing especially for this visit to the Capital and their followers will indeed be grievously disappointed if they fail to win the events in which they are entered.

All the local high schools are entered too, so there will be plenty of competition amongst the prep athletes. Episcopal High will have all her best men in action tonight so that means that the Washington high schools will have to show their best if they hope to beat out the school boys from Alexandria. All the local schools have been training with the Georgetown games in view ever since early in the year. They are now in the very pink of condition and eager for the pistol shot that will begin the battle.

The advance sale for tonight's games is the best in many years. According to reports from Spalding's where the tickets will remain on sale until 5 o'clock this afternoon, the coveted paste boards have been selling like the proverbial "hot cakes." However, Manager Flanagan says that there are still plenty of choicest reservations left. It therefore behooves all local athletic followers who have not as yet secured their seats, to do so as soon as possible, otherwise they may be disappointed. Jimmy Mulligan will get the big games away promptly at 7:45 p. m.

Boxer Kicks Opponent in Groin. New York, Feb. 18.—Low Sandall, unattached, will probably never fight again in A. A. U. events as the result of his action in a bout with Billy Murray, of the West Side Y. M. C. A., in the amateur boxing tournament held at the New York A. C. last night. They fought in a preliminary bout in the 130-pound class. Sandall deliberately fouled his opponent by kicking him in the groin, in the third round. He was ordered out of the building.

Announcement last night was that Cleveland will have thirty-five teams, Toledo promises 200, and a large percentage of that number is already in.

No Trade with Cleveland; Sale of Players Possible

Griff States that Boehling and Gandil Will Go if the Price Is Right.

OTHER SPORTING GOSSIP

By WILLIAM PEET. There has been so much talk in the newspapers recently about proposed trades with the Cleveland club for Gandil, Boehling and Morgan that local fans hardly know what to believe.

"There's been a whole lot of guessing going around about my plans," said the Old Fox to the writer. "Thus far I have no deal on with Cleveland for Catcher O'Neill and Terry Turner. In fact, nothing has been done at all, except I have told President Dan Johnson that the new owners of the Cleveland club could buy both Boehling and Gandil for a certain sum of money, and he will act for me in this matter."

While in New York Manager Griffith learned that Outfielder Charlie Jamieson broke his left arm during a basketball game about three weeks ago, played in South Patterson, N. J.

Jamieson is a left-hand thrower and this injury may handicap him considerably when he reports for spring training next month.

The report of Jamieson's injury, published exclusively by The Washington Herald, was discredited in certain quarters, but the truth has leaked out, and this promising youngster will start the coming campaign under a severe handicap.

TECH HIGH BEATEN BY CARROLL FIVE
